Industrial Designer Junior Level Position

Job Description

For our Cleveland office, we are seeking Junior Level Industrial Designers who will excel at the following:

Work well with a highly creative design team developing innovative new product concepts.
Create smart, innovative solutions to product design challenges.
Effectively communicate design intent through sketching and 2D software.
Express ideas both verbally and written eloquently.
Handle time management and meet deadlines.

Applicant Requirements

0-4 years of experience with a BS in Industrial Design
Inspiring sketching and visualization abilities
Ability to work collaboratively with development teams
Ability to facilitate design teams & processes
Proficient with Photoshop and the Adobe Creative Suite
Knowledge of Microsoft Office programs
Some experience with 3D software- Solidworks, ProE, etc.
Knowledge/experience in the Housewares and Fashion market segments
Knowledge of prototyping and manufacturing processes.
Thrive in a fast paced work environment.
The ability to inspire, innovate & challenge the design community

How to Apply

Please submit resumes and portfolios to Scott Mizer via email at smizer@smartshapedesign.com.

PDF files under 3MB are preferred.
